Dear Friends at Cohen Esophageal Cancer Initiative,

On behalf of the staff, patients and families of the Department of Pediatrics, I extend our gratitude for your generous donation of toys, games, activities, and craft supplies for our patients. It is so thoughtful of you to think of the children going through treatment and to find a special way to brighten their days. Your consideration is greatly appreciated.

We thank you for taking the time to remember the children and their families at Memorial Sloan-Kettering Cancer Center, and for being a part of bringing joy to our youngest patients.

Sincerely,

A handwritten signature in blue ink that reads "Jill Ackerman".
